**Breaking News: Life sentence in Oceanside murder**

Tillamook County sheriff's deputies escort Frank Hoyt Pike, 30, from the county courthouse March 13 after he entered a plea of no contest to charges of aggravated murder and robbery, arson and burglary, all in the first degree, in the 2006 murder of Oceanside resident Julie Herman. Pike was sentenced to life in prison without possibility of parole or release. The court action came three days shy of the one-year anniversary of the March 16, 2006, slaying.
