## Sheriff's Office releases names of deputies involved in shooting

Tuesday, October 27, 2009

According to Tillamook County Sheriff Todd Anderson, the deputies involved in the Oct. 23 fatal shooting of Michael Elmo Shepherd in Garibaldi are Bob Pippenger and Jim Horton.

Both deputies have been with the department for "8-plus years," said Anderson.

Horton and Pippenger are on administrative leave, which is routine practice in the event of a fatal shooting, while the Tillamook County Major Crime Team investigates the incident.
